## **Annual Report**

### **Session-2023-24**

I once again heartily welcome you all to the Annual Day celebration of M J School.

A heart filled with aspirations is all that we knew since the very existence of the school and that's what gave us the ambition of marching forward till excellence is achieved in all our endeavours.

This report is comprised of the achievements made during the year gone by and at the same time sets the path for greater accomplishments in the years to come.

We set standards and goals for ourselves and strive to achieve them – be it in the area of academics, sports, discipline, leadership and more.

The academic year 2023-2024 has been a very purposeful and fruitful. The year witnessed many milestones of excellent achievements in Academics, Co-Curricular activities, Sports and games, which aimed at improving the quality education and all-round development of the students. I feel proud and privileged to present before you a brief report of the achievements of the school.

#### **ACADEMICS**

*“LEARNING IS NOT ATTAINED BY CHANCE, IT MUST BE SOUGHT FOR WITH ARDOR AND ATTENDED TO WITH DILIGENCE.”*

M J School has successfully started classes till class 9 for the academic session 2023-24 and got good response and well skilled teachers are teaching the children according to the CBSE curriculum and the school is very well prepared to run classes till class 10 in the upcoming year. Till now our school got recognition from CBSE till class 8. This year school management is trying to get recognition from CBSE even for class 12th.

#### **CHANGES AND DEVELOPMENT**

Till now our school got recognition from CBSE till class 8. This year school management is trying to get recognition from CBSE even for class 12th. Our school initiated the setting up of Canteen in the school campus. With the aim of promoting sports in the school campus in the coming session, it will have its own cricket ground. And very soon a swimming pool will also be built in the school. The school has a fully equipped Chemistry, Biology, Physics and Mathematics Lab where students can study in detail. Where last year classes were being

conducted only on ground floor, now since last year because work on the first floor has also been completed, classes are being conducted on the first floor also.

The strength of children in our school in the session 2023-24 has doubled compared to strength of session 2022-23. And we hope that this present strength will double in the session 2024-25.

### **KINDERGARTEN**

The children benefited high quality teaching which was characterized by effective use of resources high expectation and a good match of tasks to children ability levels in all parts with the Early Education Development Program, starting the session with circle time and show and tell activity made the kids to feel at home.

Kindergarten kids enjoyed the colors day, several field visits such as mall visit, visit to places of worship. The highlight was the grandparents' day and followed with the community helpers where the school helpers were introduced to children and they in return honored them.

All festival's celebrations were done which made the children and the school colorful.

An attractive monthly planner is made for pre-primary children in which all the needs of the children are taken care of.

### **PARENT TEACHER MEET**

Every month parent's teachers meeting was held to make the parents aware of their wards performance.

Parents met the class teachers and the subject teachers for a detailed feedback on the progress of their child. The main purpose of the meeting was to create a common platform, where parents and teachers come together to enrich the student's educational experiences and discuss various issues, regarding holistic development of students.

### **EXTERNAL EXAMS and competitions**

SCIENCE OLYMPIAD FOUNDATION, conducted exams for various subjects like Math, Science, English, Cyber, etc. The exam encouraged the children to find out their knowledge about the subject. This enhances the learning and thinking skills of the students and brings out their hidden talents. Aryan Luha

There was an active participation of students from classes UKG to IX for the subjects SCIENCE, ENGLISH, MATHS, CYBER, GK.

Our students also participate in various other competitions organized by reputed departments like

- “Jalsanrakshan”- BSNL drawing competition
- Jilashiksha”SwatantrataSenani” Drawing and Colouring competition
- Heritage Dance & Rangoli competition
- Srijan Painting Competition

And while performing excellently, they also win awards.

Atishay Jain and Ashutosh Singh of class IX showed excellent performance and got 2nd and 3rd position respectively by defeating participants from other 25 schools in Srijan Painting Competition held at Aanjaneya University Raipur.

Naysa Ansari of Class 2 bagged 2<sup>nd</sup> prize in “Jalsanrakshan”- BSNL drawing competition

### **CONCLUSION**

Towards the end, I thank the supportive management whose continuous support to our ideology of education has enabled the school to come this far. Teachers and the entire staff members also deserve applause for their tireless efforts in implementing the route map of imparting quality education here. I also extend my heartfelt thanks to the parents of our students who have shown unflinching faith in us by giving us the profound opportunity to transform their children into truly useful citizens of the future world. As we look towards the days ahead, we seek the blessings of the almighty for a progressive and a prosperous future.

Thank you
