Parents Teachers Association

Meeting Agenda

1. Despite repeated instructions, many students are not coming to school on time despite that school timings have been changed to 9.00 am. Please pay attention to their parents.
2. To utilize the evening time of the students, the school management has decided to conduct sports training for interested students in the evening at the school campus itself about which you will be informed shortly.
3. The tentative date for the annual festival is 20th January 2024. It is expected that an enthusiastic and entertaining program will be presented like every year.
4. Despite of giving information several times, school fees of many students are still pending. For this reason school management has decided to levy Rs.30 per day as late fine.
5. The annual examination for the session 2023-24 will be conducted in the third week of Feb 2024. For this, all the subjects will be revised again in the month of January.
